

**STOP
THE
HATE**

**I Pledge to Help Make Gardena High School a
Place Where Everyone Feels Safe, Respected,
Included, and Valued.**

Unified Against Hate

- Treat others with kindness and dignity.
- Respect people's cultures, identities, backgrounds, and differences.
 - Reject racism, bullying, discrimination, and hate.
- Speak up safely or seek help when I witness harmful behavior.
- Listen, learn, and take responsibility for my words and actions.
- Help create a community where everyone belongs.

Together, we choose respect.

Together, we stand against hate.

Hate has no home at Gardena High School.
